

## **101. THUMBNAIL MODE AND LIST MODE** **(JUNE 2025)**

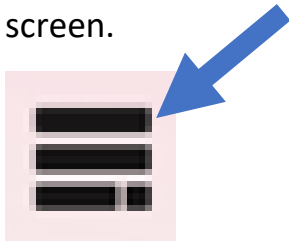

### **STEP 1**

The Hik-Connect app has 2 display modes.

They are called Thumbnail mode and List mode.

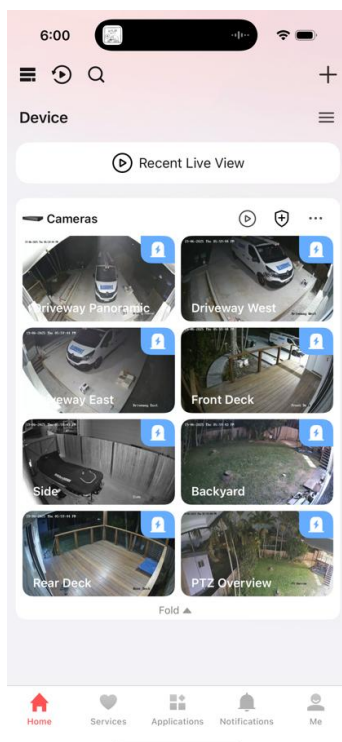

### **STEP 2**

This can be changed by clicking the display mode button at top of the home screen.

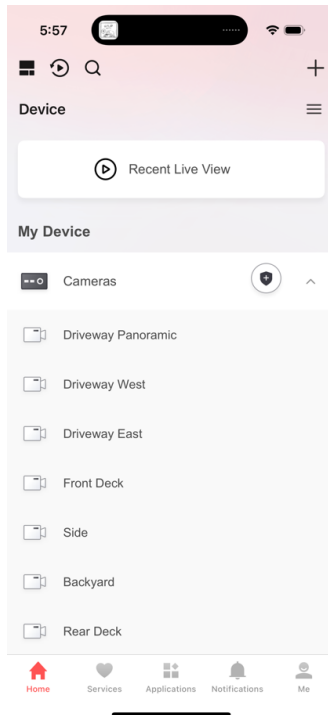

### **STEP 3**

Thumbnail Mode appears as follows.

## STEP 4

List Mode appears as follows.

## STEP 5

All our manuals are presented in **Thumbnail Mode**.
