# 143. HOW TO SETUP AREAS (JUNE 2025)
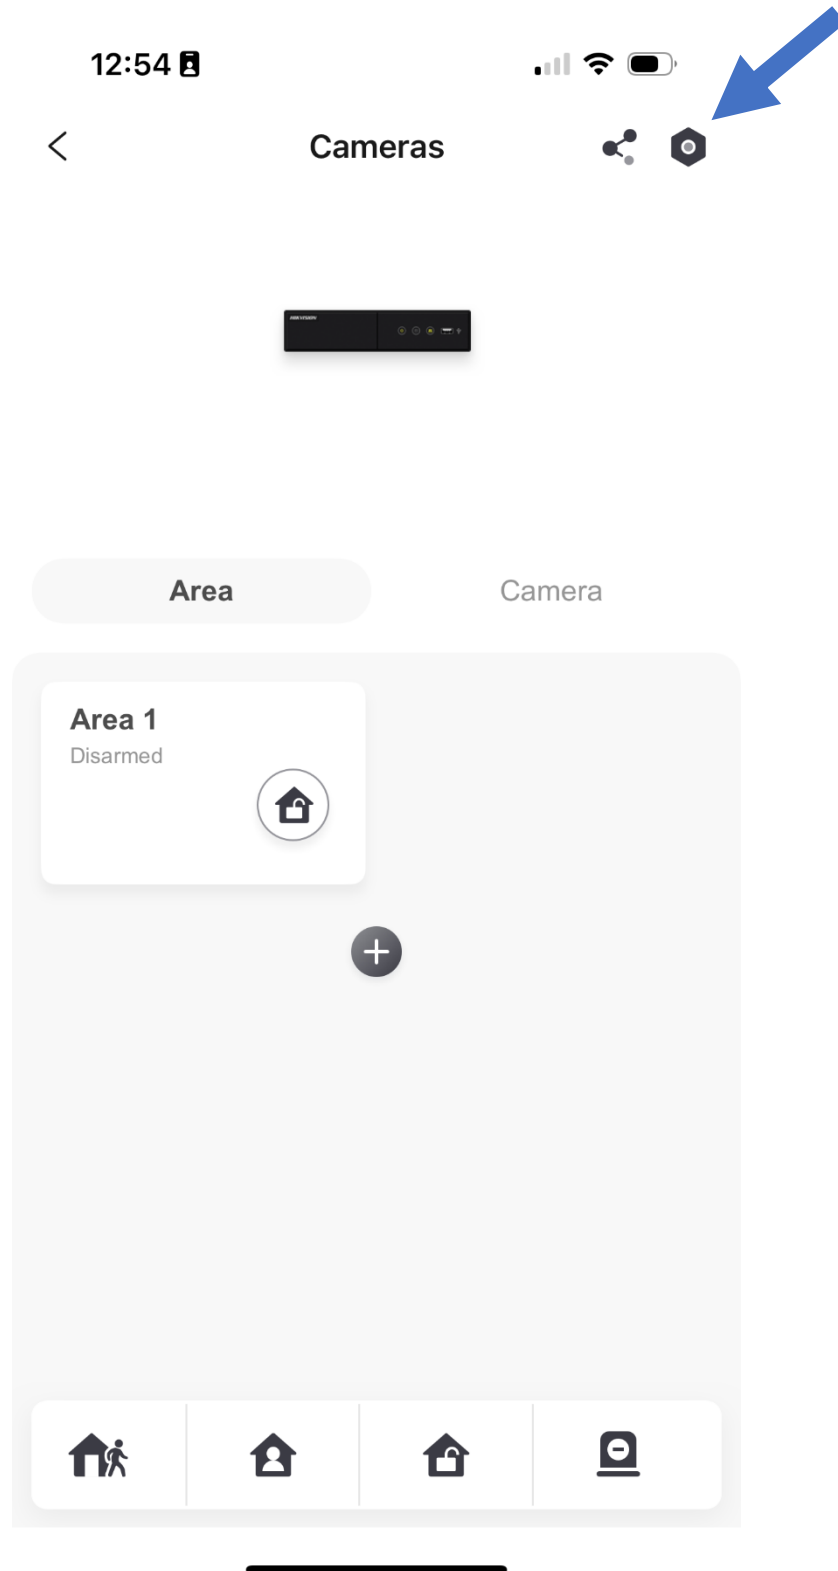

STEP 1

Press the 'Live-Guard' icon.
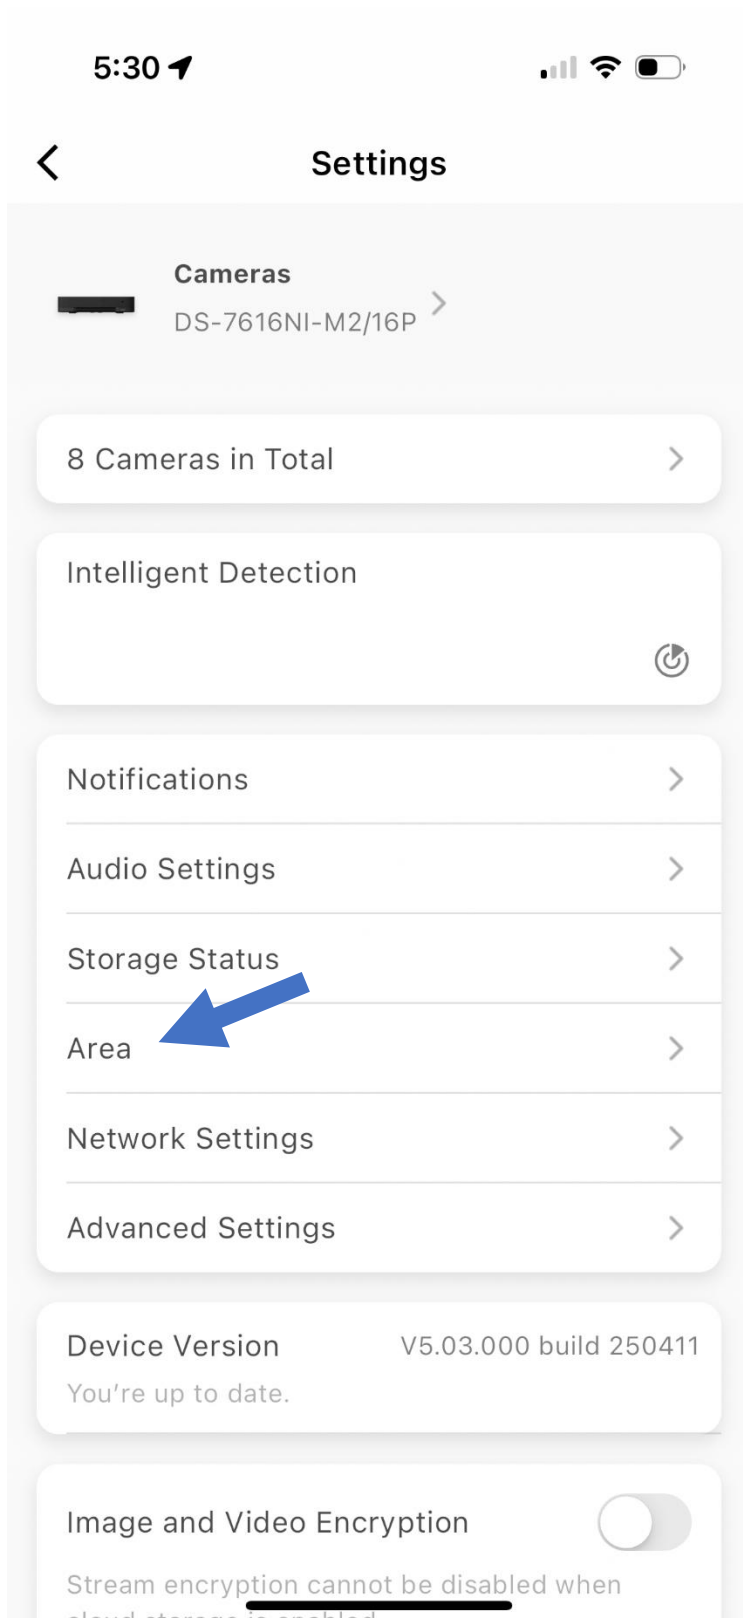

STEP 2

You will now be on the 'Live-Guard' screen.

STEP 3

Press the 'Settings' icon.

STEP 4

Press 'Area'.

STEP 5

Press 'Area 1'.

5:30

<   **Area**

Area 1   Enabled >

Area 2   Disabled >

Area 3   Disabled >

Area 4   Disabled >
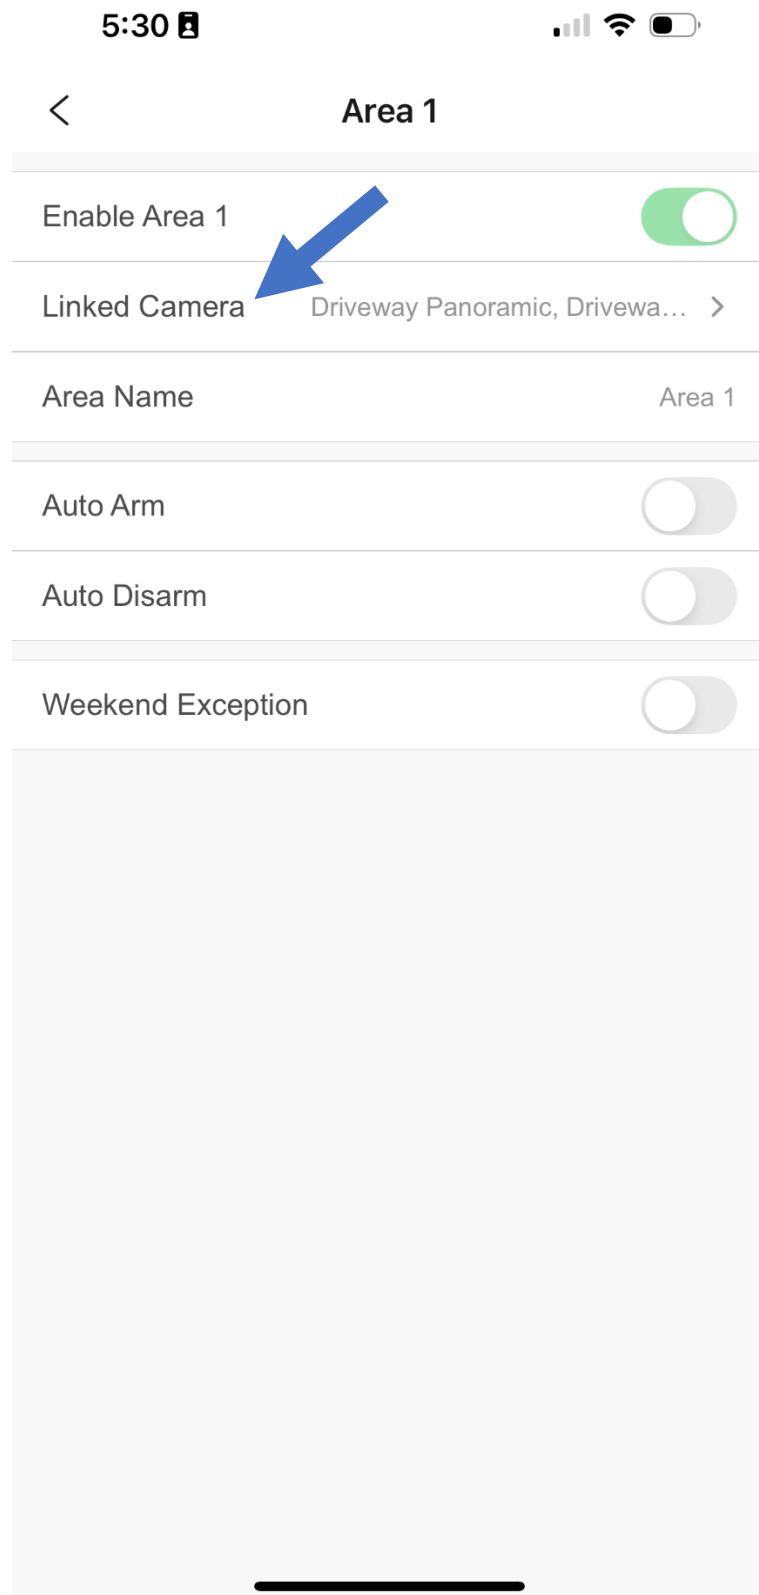

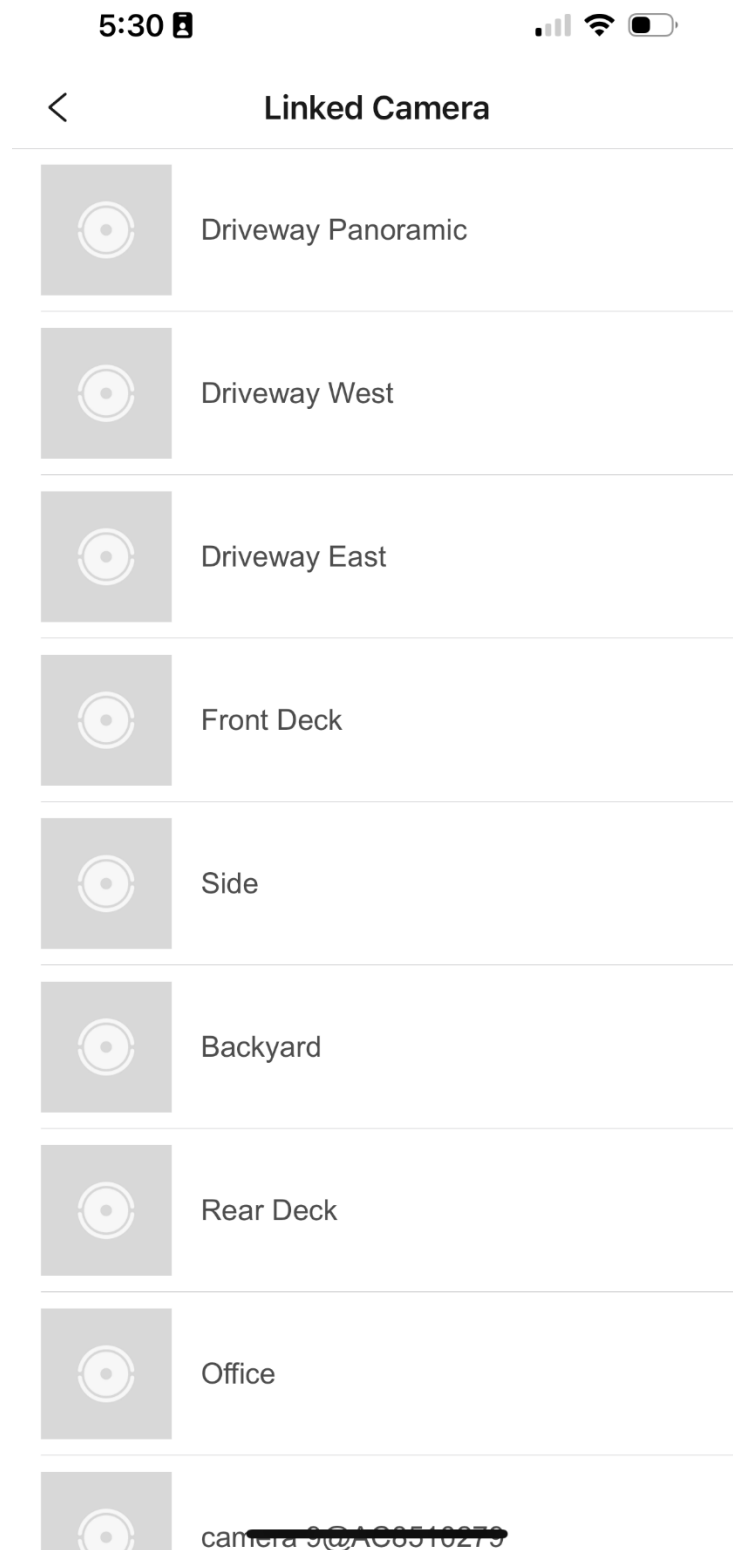

STEP 6

To see which cameras are in the area, click 'Linked Camera'.

STEP 7

By default, all cameras are in 'Area 1'.

## STEP 8

To create a new area, go back to the 'Area' screen.

Click on 'Area 2'.

STEP 9

Press 'Enable'.

5:38

< **Area 2**

Enable Area 2

STEP 10

Click on 'Linked Camera'.

STEP 11

Press 'Plus'.
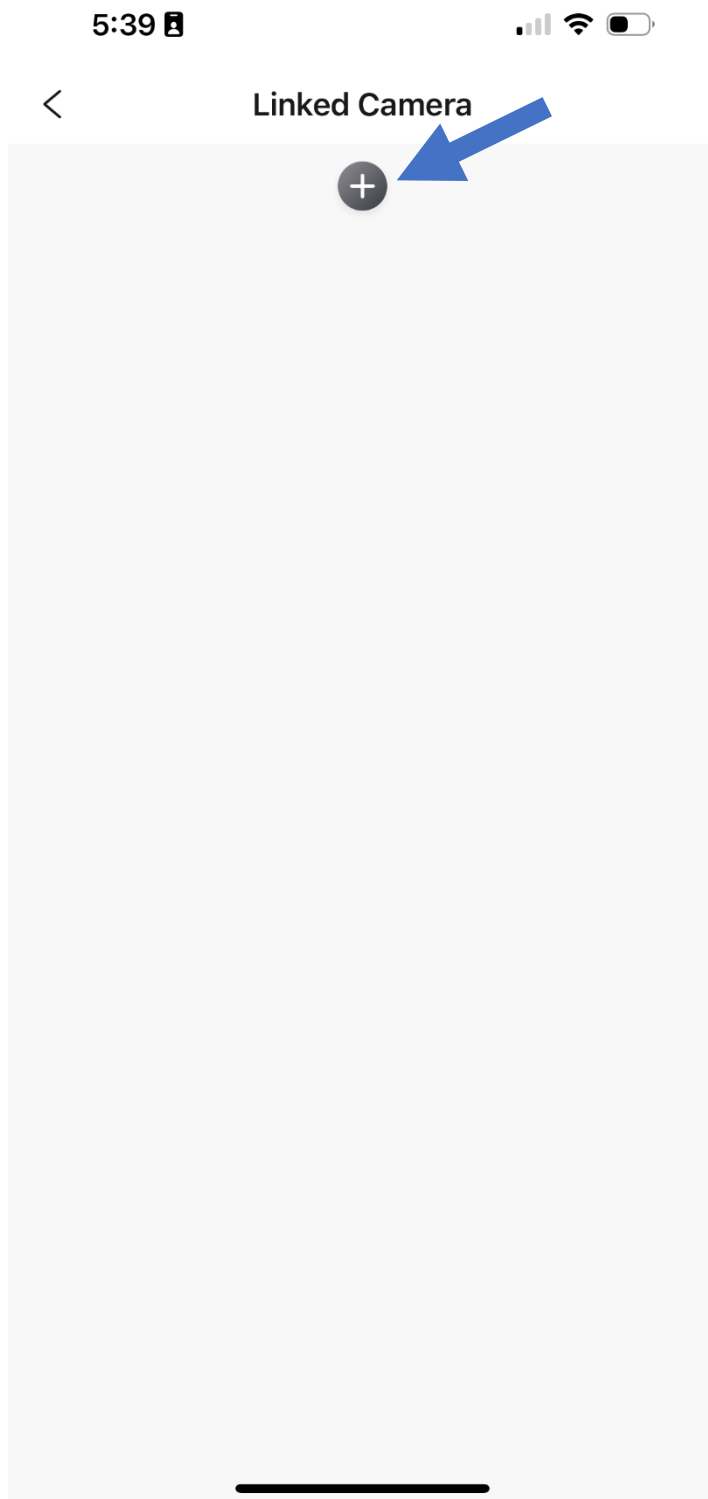

STEP 12

Select the cameras to move into Area 2.

Press 'OK'.

NOTE:

Any cameras you move into Area 2, will be removed from Area 1.

STEP 13

Confirm the 'Linked Cameras' for Area 2 are now the correct cameras.
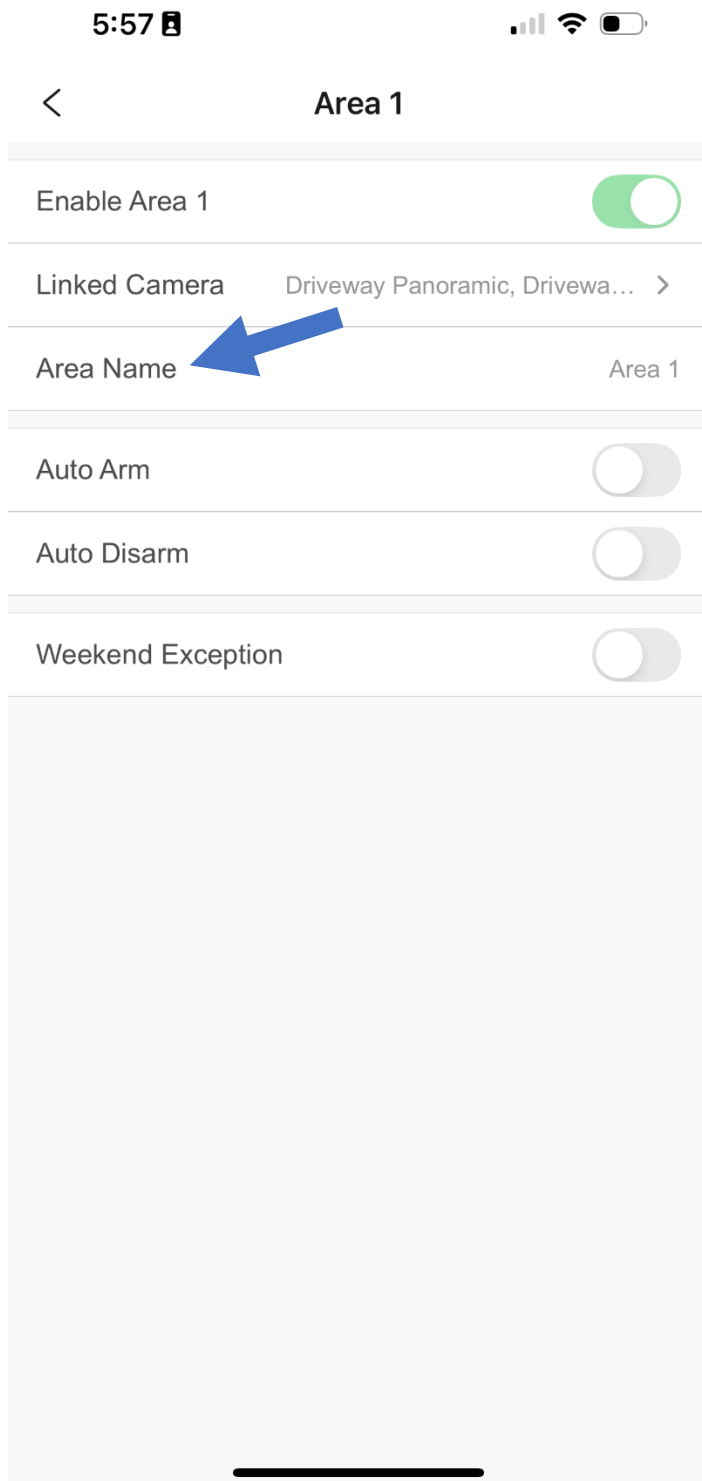

Then go back to the 'Area' menu.

STEP 14
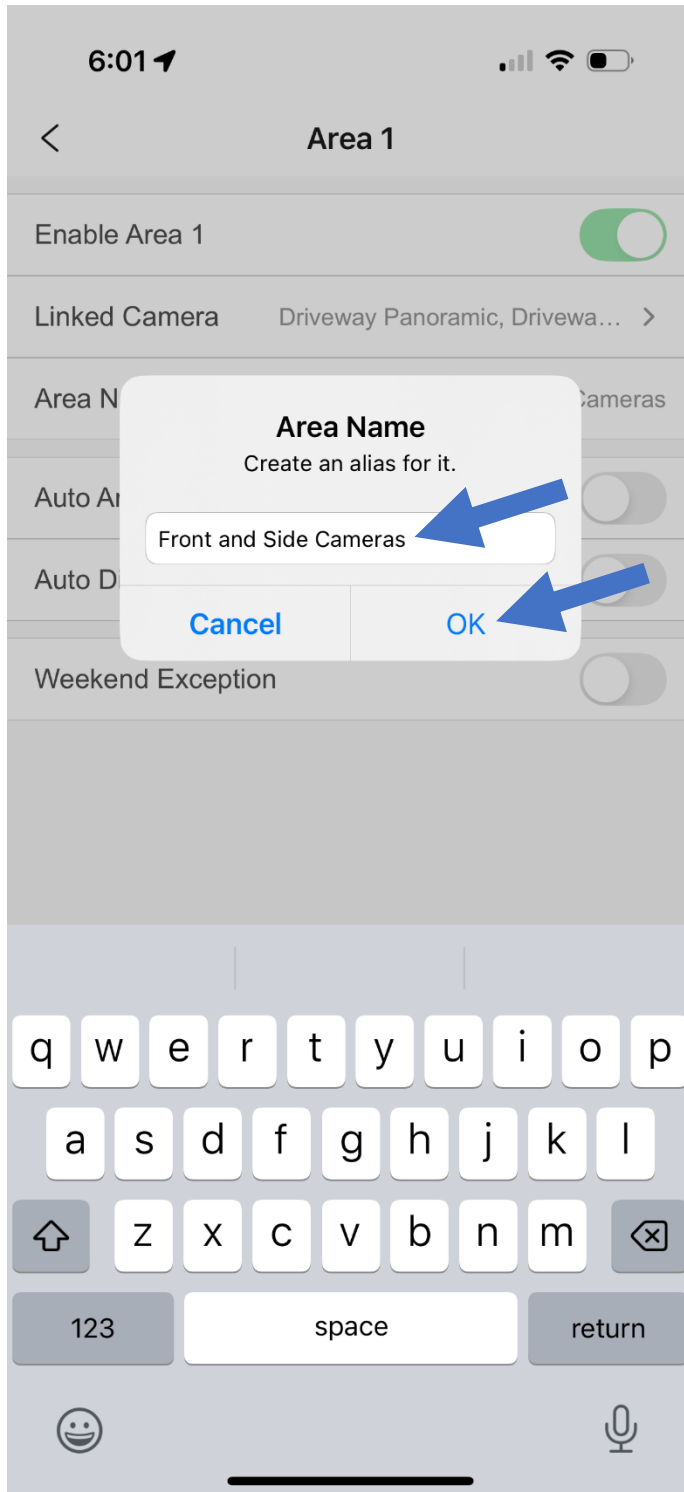

To rename an area, click on the required area.

STEP 15
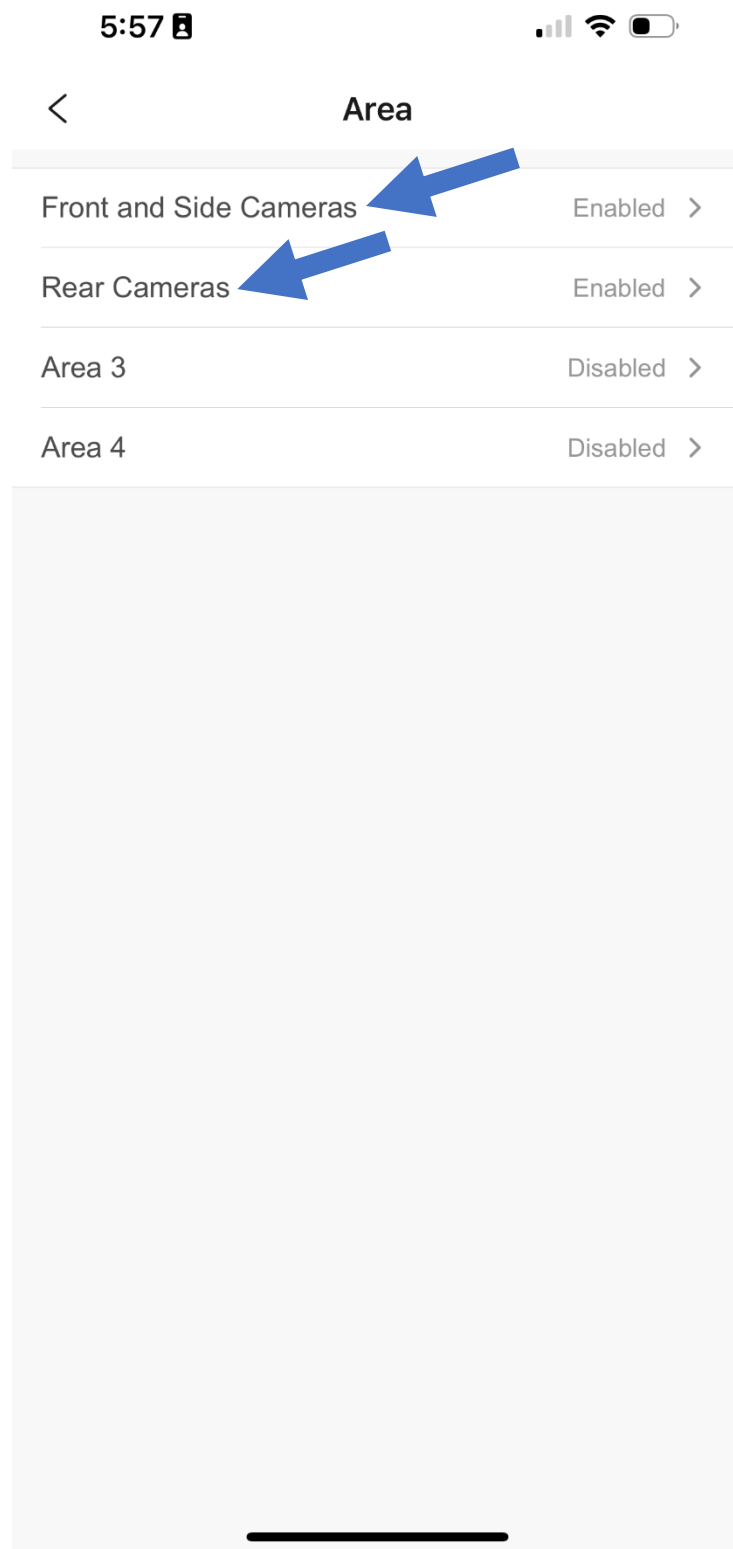

Click on 'Area Name'.

STEP 16

Rename the area.

Press 'OK'

STEP 17

Repeat for all areas until all area names are as required.
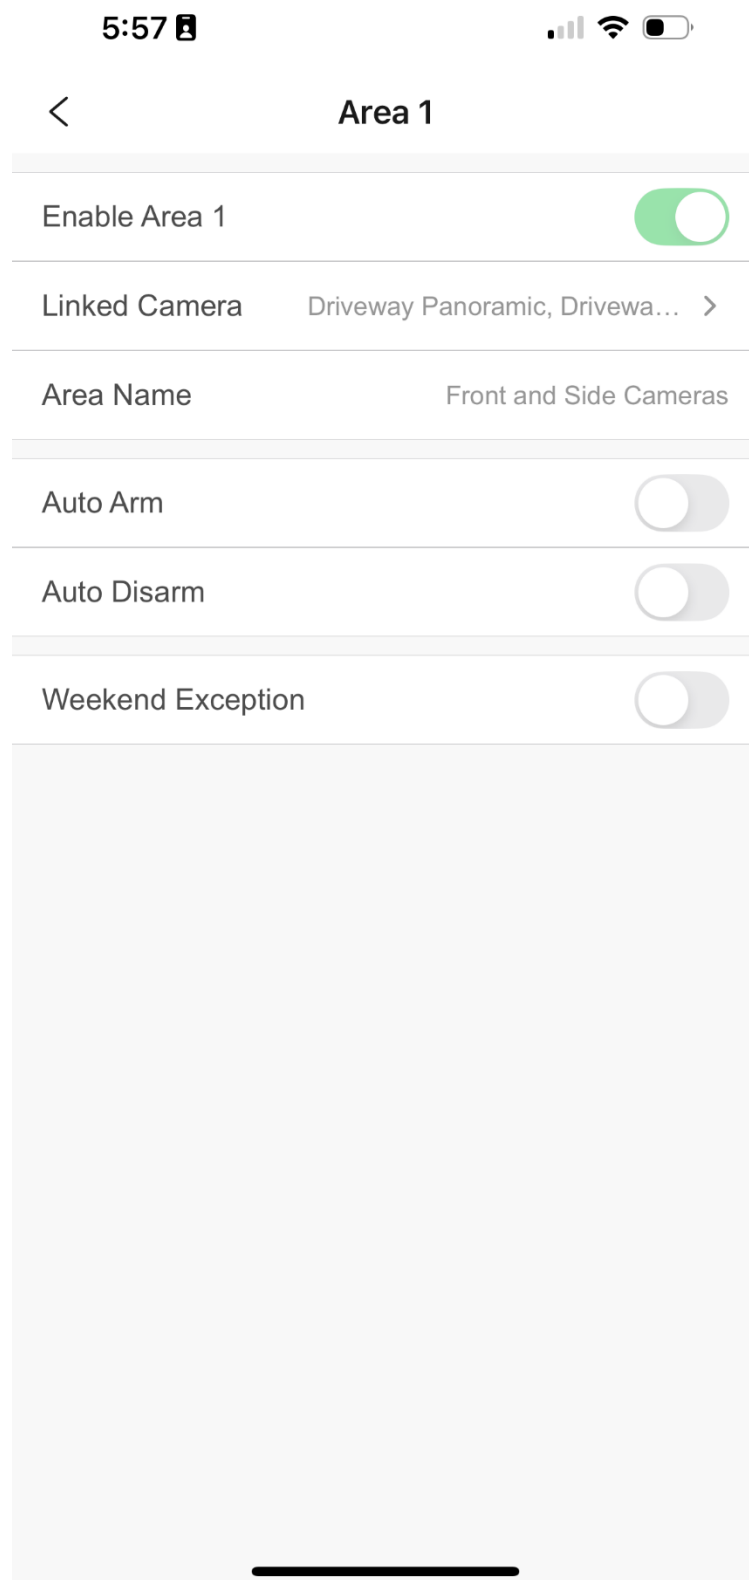

STEP 18

Go back to the Live-Guard menu.

All areas will be displayed with their chosen names.

All areas now feature their required cameras and can be armed and disarmed independently of each other.

STEP 19

To move a camera from 'Area 2' back into 'Area 1', go to the 'Area 1' settings.

STEP 19

Click on 'Linked Camera'.

STEP 20

Scroll to the bottom, then click on 'Plus'.

6:09

Linked Camera

camera 10@AC8510279

camera 11@AC8510279

camera 12@AC8510279

camera 13@AC8510279

camera 14@AC8510279

camera 15@AC8510279

camera 16@AC8510279

STEP 21
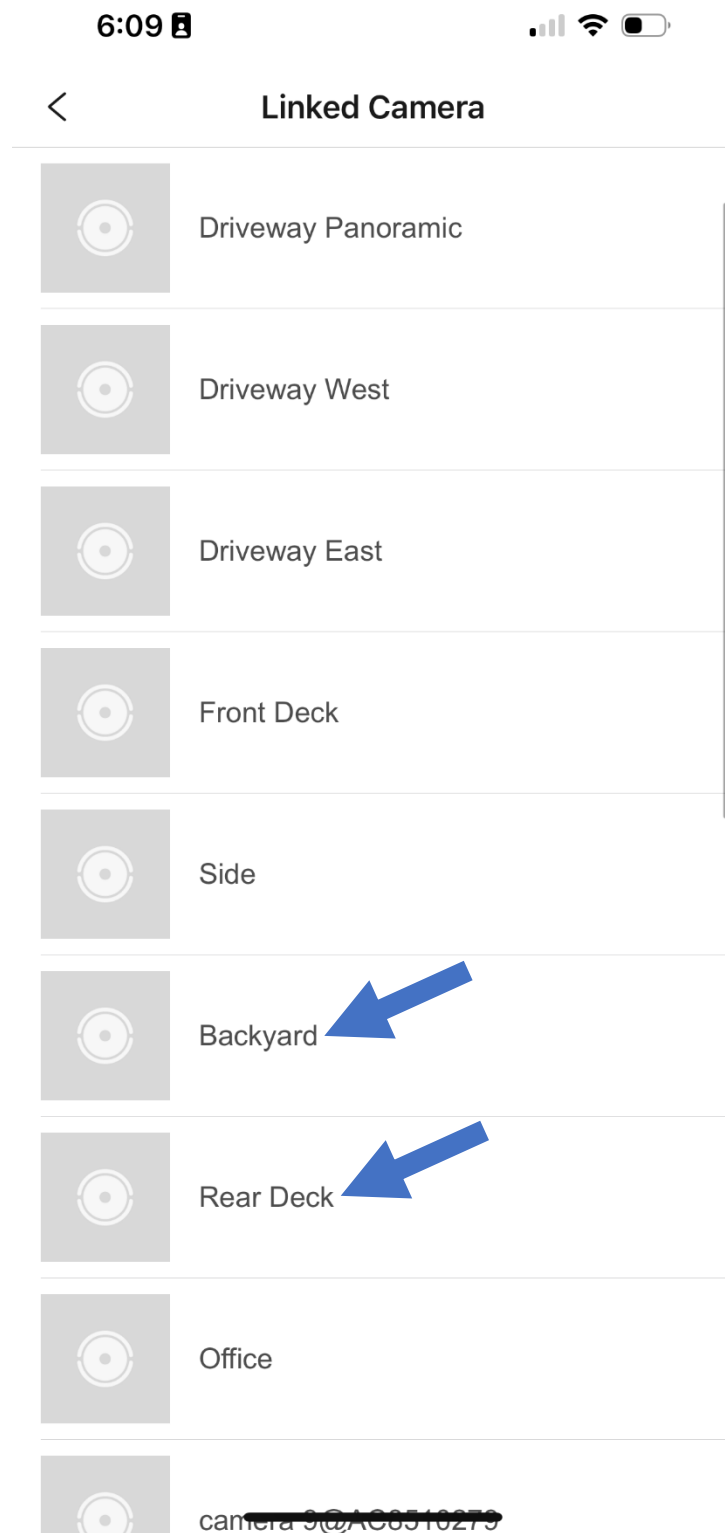

Select the cameras to move into Area 1.

Press 'OK'.

NOTE:

The cameras will be removed from Area 2, and moved into Area 1.

STEP 22

Confirm the required cameras are in the 'Linked Camera' list for Area 1.

STEP 23

NOTE:

You can disable an area that doesn't have any cameras in it.

This will prevent it from showing on the Live-Guard menu screen.
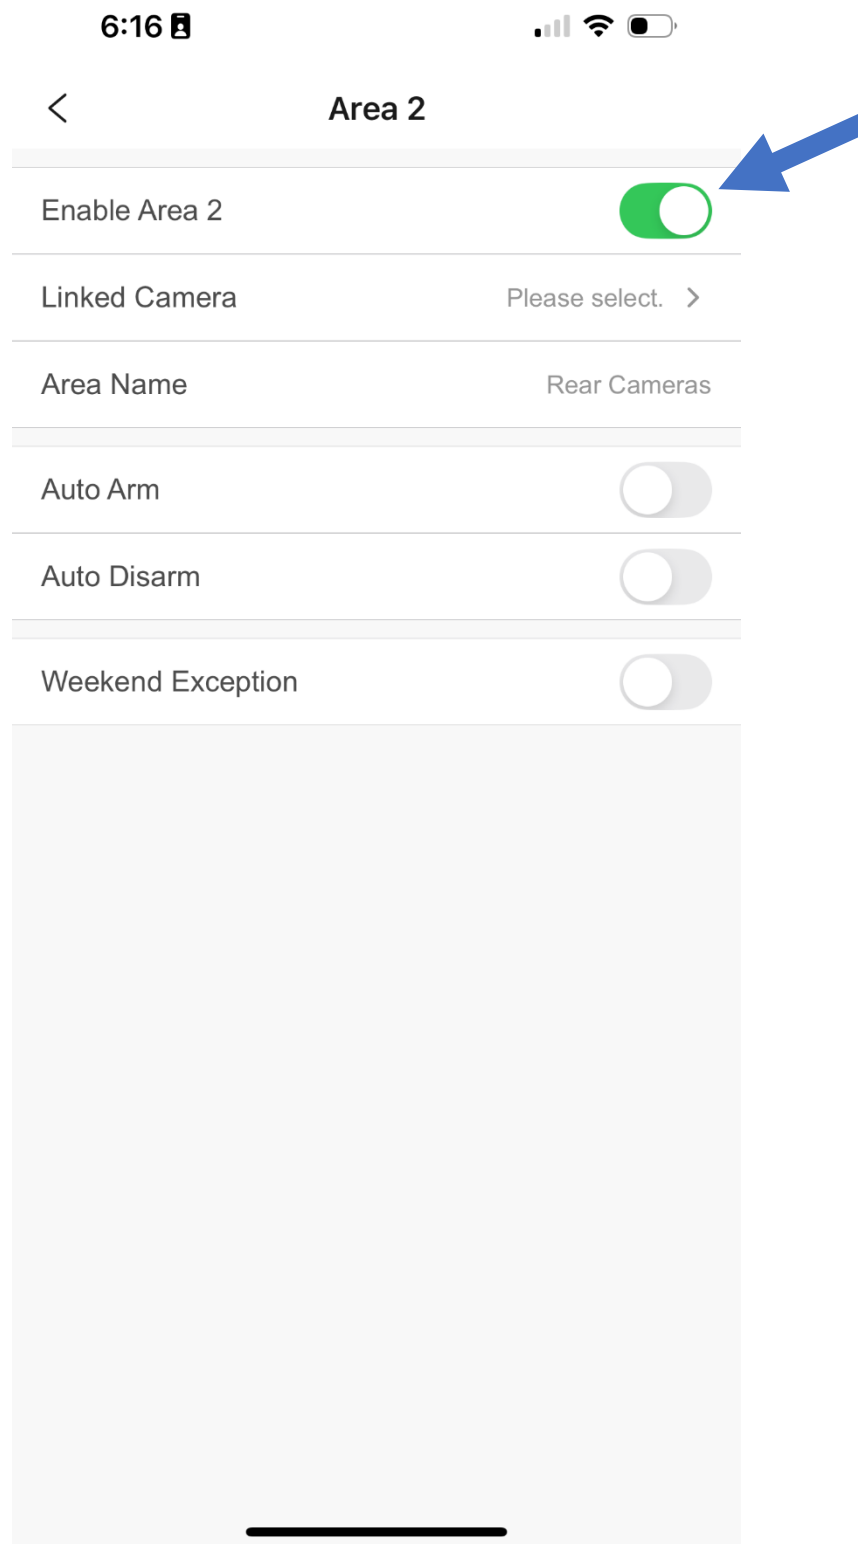

To do this, go to Area Settings.

Click on the required area to disable.

STEP 23

Disable the area.

STEP 24

Confirm the area is disabled.

STEP 24

The area will no longer be displayed on the Live-Guard menu screen.
